Dear Prime Minister,

On my return to Budapest I would like to say how very much I appreciated having the honour to be received by you during my visit to Britain.

MW

Your visit to Hungary earlier this year gave a further impetus to foreign trade between our two countries and raised interest in our week of Hungarian business technology and culture. The Government Departments and the representative trade bodies of your country have given us a lot of valuable assistance, which made possible the realisation of our "Hungary Today" event and we are most grateful for it.

It is our intention to develop further the Hungarian economy and this can provide opportunities for mutually beneficial co-operation between Hungarian and British industry. I can assure you that it is the wish of the Hungarian Government to see this co-operation expand. We will do our utmost to keep the momentum going for Hungarian-British trade relations.

Finally may I thank you and your ministers again most warmly for your kind hospitality I received during my visit in London.

Yours sincerely

Károly Pócs
