Dear Norman.

PICKETING AT HUYTON LOCAL OFFICE, LIVERPOOL

Thank you for copying to me your letter of 18 May to David Young. I concur in the approach outlined in the letter. I would just add that before issuing any warning to the TGWU that you intend to apply for an injunction, you will, of course, wish to have advice from Counsel who would be making the application on your behalf that, on the facts existing at that time, the application would be likely to be successful.

WILL REQUEST IF REQUIRED

I am copying this letter to the Prime Minister, David Young, Nigel Lawson, Douglas Hurd and Nicholas Ridley.

Yours etc
Michael
